GRIEVANCE DENIED

Mr. Warren according to our records the entire facility received blanket exchange starting on April 7th and your pod received new blankets on April 13th. I have spoken with the kitchen supervisor in regards to your complaint of the amount of food you receive. The meal selection served in this facility is certified by a registered dietitian and meets the food nutritional guidelines established in Title 15.

You have also failed to comply with Section II, Procedure 04 (located on page 15) of the JAIL INFORMATION HANDBOOK, in that you have not referenced what constitutional right, state or federal law, Board of Corrections -Title 15 section number, or Departmental policy or rule that we have violated.

No further action will be taken on this grievance. You have exhausted all administrative recourse for your grievance. Any additional action must be taken through the courts.

Our grievance system is a formal, structured set of procedures governed by California administrative law practices. Here are some rules to which you must adhere:

- The grievance procedure is to be utilized only after you have exhausted the Inmate Request Form procedures outlined in your Jail Information Handbook.
- The procedures that must be followed when filing a grievance are outlined in your Jail Information Handbook.
